

(C.)

BEAUFORT, CARTERET Co. 4th DEC. 1834.

*To the President and Directors
of the Board for Internal Improvements.*

GENTLEMEN:

The Stockholders of the Clubfoot and Harlow's Creek Canal Company, failed to elect a President and Directors at the time fixed for the last annual election. There is, therefore, now no person whose duty it is to make the report required by the act of 1829. But that the public good may not suffer, we have thought it advisable to supply the deficiency, and put the Board in possession of the little information in our power to give relative to the affairs of the company.

The amount of capital stock, the amount of stock subscribed by the State of N. Carolina, the aggregate of the requisitions made on the stockholders, the amount of their subscription paid by individual stockholders, the amount paid by the State of N. Carolina, the amount due from individuals on said subscription, and the amount due from the State, the amount due from insolvent subscribers and stockholders, the amount expended in works by the directors of the company, and the amount of debts due by the company, remain the same as stated in the last report. There is nothing due the company otherwise than on account of stock, No cash remaining on hand, and no dividends have been declared.

The sum of \$210 51 has been received for tolls, which has been applied to paying the keeper and incidental expenses.

The condition of the Canal is worse than at the last report, and if some 3 or \$4000 are not expended in repairs, it will soon be unfit for use, and become a dead loss.

With distinct respect,

We are your ob't. servants,

ELIJAH CANADAY, *Pres't.*

J. C. MANSON,

JAS. E. GIBBLE,

E. WHITEHURST,

A. CANADAY.
